REMINDER: To be an eligible quizzer for Nationals, quizzers must adhere to the following guidelines as stated in the national rule book: The lower age limit for tournaments will be defined as any student who is in the 6th grade throughout the quiz season. The upper limit will include anyone who is equal to or less than 19 years of age at the beginning of the quiz season, or who is actively still attending high school. A quiz season runs from September 1 – August 31. Junior high tournament will be exclusively 6th through 9th grades. Junior high students can participate in senior high tournaments, but not (i.e. All eligible quizzers at our tournament will have gone through the 6th grade since it is held in July, after the school year ends. Those just entering the 6th grade are not eligible.) **Also, please remember according to the rules that each individual team must have their own coach (a different person/coach for each team). Please be sure to list a head coach for all of the church teams that may be contacted if needed.
